**Søren Kierkegaard**

## **Either Or:**

**Either/Or** Søren Kierkegaard, 2004-07-01 In *Either Or* using the voices of two characters the aesthetic young man of part one called simply A and the ethical Judge Vilhelm of the second section Kierkegaard reflects upon the search for a meaningful existence contemplating subjects as diverse as Mozart drama boredom and in the famous *Seducer's Diary* the cynical seduction and ultimate rejection of a young beautiful woman A masterpiece of duality *Either Or* is a brilliant exploration of the conflict between the aesthetic and the ethical both meditating ironically and seductively upon Epicurean pleasures and eloquently expounding the noble virtues of a morally upstanding life **Either/Or, Part I** Søren

Kierkegaard, 2013-04-21 Søren Kierkegaard the nineteenth century Danish philosopher rediscovered in the twentieth century is a major influence in contemporary philosophy religion and literature He regarded *Either Or* as the beginning of his authorship although he had published two earlier works on Hans Christian Andersen and irony The pseudonymous volumes of *Either Or* are the writings of a young man I and of Judge William II The ironical young man's papers include a collection of sardonic aphorisms essays on Mozart modern drama and boredom and *The Seducer's Diary* The seeming miscellany is a reflective presentation of aspects of the either the aesthetic view of life Part II is an older friend's or the ethical life of integrated authentic personhood elaborated in discussions of personal becoming and of marriage The resolution of the either or is left to the reader for there is no Part III until the appearance of *Stages on Life's Way* The poetic reflective creations of a master stylist and imaginative impersonator the two men write in distinctive ways appropriate to their respective positions

*Kierkegaard's Either/Or* Ryan S. Kemp, Walter Wietzke, 2023-11-30 This collection of essays strikes new ground in our understanding of Kierkegaard's *Either Or* and his authorship as a whole *Either/or* Robert L. Perkins, 1995 In *Either Or* Part One Kierkegaard presents what he calls the aesthetic form of life There he focuses on a large variety of the stereotypical views of women from a sentimental and whining appraisal of her position in the world through the view that sexual exploitation is an uncontrollable natural instinct and or drive for which men are not morally responsible to the view that woman is a jest not to be taken seriously as a moral and responsible being and then that she is just there as a sexual object or plaything to be reflectively seduced on the male's terms and for his pleasure or rejection whatever suits him at the moment Needless to say this great variety of views of the uses of woman has provoked a large critique and just as predictably that critique is as varied as the intellectual tools available for the analysis of a work that is as literary as it is philosophic The present collection of essays treats these and many other of the most important issues raised in *Either Or* in fresh and perceptive ways Even where familiar themes are argued the authors introduce innovative interpretive models new approaches and new materials are appealed to or new rebuttal arguments against previously held positions are offered Several of the articles for instance appropriate or criticize methods or insights derived from postmodernism and or feminist philosophy an approach that would have been unlikely two decades ago **Either/Or, Part II** Søren Kierkegaard, 2013-04-21
