Akrasia, Thief of Time Various, David Chart, Odyssey D20 Eden, 2005-08-01 A temple in disrepair looms out of the mist As you approach you notice that the debris results not so much from ruin as disinterest It appears that grandiose plans have dissolved due to insufficient money time or will It seems a shame the structure could have been so beautiful A nagging thought crosses your mind Could this be the work of Akrasia the Goddess of Distraction Many do not see her as a threat After all what is so wrong with having another drink or listening to one more song or playing one more hand of cards Still her agents have brought down empires and her influence saps the life from communities until they fall rotten within to the slightest threat Ah but who cares There is no doubt little of value or threat within Might as well find a comfortable spot and turn in early tonight There's always tomorrow for great deeds Akrasia Thief of Time presents a series of vignettes that can be used individually or in total to enrich any fantasy campaign using the d20 game system In it you will find a description of the cult of Akrasia its clerics treasures and legends a new Prestige Class called the Distractor and a detailed member of that class to bedevil your characters an almost abandoned shrine to the Goddess with a haunting inhabitant a wandering servant of the Thief of Time with a dangerous secret an inn beholden to the Lady of Lost Dreams where adventurers can lose their way or gain a great boon four Akrasia devotees who plot to destroy a small town an active temple of The Delayer with worshippers creatures and mystical items The Author David Chart was born and raised in England and currently lives in Cambridge where he is successfully fighting off the need to get a real job He has a Ph D in philosophy which renders him unqualified for almost any serious labor He has been roleplaying for many years and his first game was Dungeons and Dragons This is his first d20 System book but probably not his last No deadlines were harmed in the making of this product

Fighting the Enemy Mark Johnston, 2000-04-16 Fighting The Enemy first published in 2000 is about men with the job of killing each other Based on the wartime writings of hundreds of Australian front line soldiers during World War II this powerful and resonant book contains many moving descriptions of high emotion and drama Soldiers interactions with their enemies are central to war and their attitudes to their adversaries are crucial to the way wars are fought Yet few books look

in detail at how enemies interpret each other This book is an unprecedented and thorough examination of the way Australian combat soldiers interacted with troops from the four powers engaged in World War II Germany Italy Vichy France and Japan Each opponent has themes peculiar to it the Italians were much ridiculed the Germans were the most respected of enemies the Vichy French were regarded with ambivalence while the Japanese were the subject of much hostility intensified by the real threat of occupation River of Blood Alderac Entertainment Group,2002 **Field and Stream** ,1966 **Combined Subject and Author Indexes to Radiobiology Bibliographies** U.S. Atomic Energy Commission.
