Henrietta Stockel,1997 Through the stories of the elders he also learned how this way of life had changed since their capture as many of the traditional ways of the Chiricahuas were altered or lost in the ensuing decades after Geronimo's people surrendered to the U S Army in 1886 Decades of incarceration followed first in Florida then in Alabama and finally in Oklahoma More than half died in hot humid prison camps because the Chiricahuas had no inborn resistance to the virulent diseases brought to North America by Europeans Then in 1913 with fewer than three hundred left the Chiricahuas were released and received land allotments near their last prison site Fort Sill or on the Mescalero Apache Reservation where Ove arrived thirty five years later **BOOK JACKET**      *Beneath the Wings of Geronimo's Spirit* R. James Roybal,2013-09-17 San Augustino said quietly Be careful with that blade Robert You might cut yourself San Augustino was rewarded with Robert shouting a fearful battle cry and charging with his saber held high in an anticipated downward thrust Gasps of horror could be heard at the display of the ungentlemanly like conduct Robert on the other hand was beginning to become disheartened with what he thought was going to be an easy victory with his surprise attack He was mentally out of balance because his saber had only cut air and hit the ground Worse was the sudden realization that he had complexly missed San Augustino and was now lying with his face in the mud Robert immediately jumped up screaming in frustrated anger aided by the feeling of the pain of an imaginary saber blade in his back Robert knew in his heart that he would have taken advantage of the situation if the tables had been turned and Augustino had been the one sliding on his face Robert neednt have feared because San Augustino was still standing perfectly poised about ten feet away almost in the same position that he had been standing when Robert had originally charged It was almost as if San Augustino had not moved Robert suddenly felt a stinging sensation on his chest and looking down was horrified to see a thin red streak that was starting to spread his across his white shirt It was the thinnest of cuts and although not very wide looked painfully deep and more importantly was rapidly bleeding his strength away      *Jessie's Girl* Lawrence Dixon,2024-01-18 As the illegitimate daughter of the mythic bank robber Jesse James Li l Jessie grew up on tales of his daring adventures The danger the action the money But when her father dies no one is left to carry on his place until Li l Jessie comes along With the other illegitimate children of Jesse James s gang Li l Jessie takes up her father s mantle and embarks on a life of gunslinging bank robbing and intrigue Together the gang of women takes on the Wild West the US Marshals and a dangerous group of bandits as they find love and acceptance in the hazardous West      **Riding for the Brand** Michael Pettit,2012-11-27 Folks all over West Texas and eastern New Mexico will tell you Cowdens have been ranching here for as long as anyone can remember The Cowdens in fact have been at the forefront of the cattle business for 150 years Arriving in Texas in the 1850s Cowden men and women raised and trailed cattle sought out water and better grazing land tangled with Comanches and helped extend the western
