Getting Right with God Joseph C. Way B.A. B.D. MDiv., 2020-09-04 For centuries numerous people have asked How do you get right and stay right with god Since a person s god is whatever they value love the most possible gods are limitless When asked from the Judeo Christian perspective the question is narrowed but the answers are extremely diverse Due to many identified factors the author believes incorrect

answers have been too frequently offered starting soon after the death of Jesus and continuing to this day Due to God's nature and ours the author bases his answer exclusively on appropriate God-like love as described and practiced by Jesus The ancient Hebrews recognized the original answer and Jesus repeated it when he insisted we love God above all else and then love our neighbor as our self Paul got it all wrong Jesus did not fill the empty spaces in Paul's Judaism Believe Jesus and act like it Praises Edwin Othello Excell,1905 **Get Right Church & Let's Go Home** Cassandra J. Snyder,2008-05-23 Get Right Church and Let's Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world's deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home *A Man's Religion* William Fraser McDowell,1913 Being Right with God John James Miller,2011-01-14 For sincere seekers teachers and preachers This book consists of the most complete and understandable explanation of BEING right with God to be found anywhere After a lifetime of becoming acquainted with Christian literature and 28 years of listening to other preachers the author observed the lack of presenting BEING right with God even though it is the most important thing to be achieved in life Only partial explanations are given in sermons that touch on the subject of being As a result people have a fragmented and incomplete understanding of BEING right with God The Bible contains what it is to BE right with God but not in an organized and systematic way Many scriptures are brought together in this book in order to present a full and understandable Biblical explanation of what it is to BE right with God and how to GET right with God *Wesley's house, sermons and addresses delivered in Wesley's chapel at the dedication services* ,1898 **The Religion of Power** Harris Elliott Kirk,1916 *Leaves of Healing* ,1924 **Getting Right with God** Paul Nthoba,2019-04-05 In *Getting Right with God* Paul Nthoba relates his intimate conversations with the Father Jesus and the Holy Spirit He follows a strategic format first used by Matthew Robert Payne and then adapted by Lisa Townley in books of the same name But although the format is the same Paul's unique and

personal relationship with the Trinity shines through in his conversation and with humor as they all interact with each other In each daily entry Paul and the Trinity walk through the same three sections an introduction openness and vulnerability and the courts of heaven Paul s transparency engages the reader in understanding how the Father wants to develop a deep friendship with each person Join Paul in his journey of Getting Right with God Perhaps you will be inspired to start your own journey as well
