Clark,2024-02-22 As all of us know life has its ups and downs In many ways life truly is a rollercoaster A rollercoaster goes up comes down goes around curves enters the dark at times twists and in some cases goes backwards I think that using a rollercoaster is a great example that can describe life perfectly How is one able to navigate all the ups and downs twists and turns as well as the darkness that is experienced on occasions The key I believe is a faith in a living God This living God allows Himself to be known through the person of Jesus Christ This devotional is slightly different than most devotionals The devotionals contained in this volume were written over a period of time and as the current events were taking place As you will experience there are numerous events mentioned that were part of our lives some that may be distant to you and some that occurred daily that you may have been somewhat close Since I am a sports junkie you will find several references in this devotional pertaining to sporting events that have taken place Most of the sporting events refer to the teams in Philadelphia Each devotion is two pages in length and is written in a way to help you think about your

relationship with God It is my prayer that after completing the reading of this devotional you will find yourself closer to God and understand who He is clearer **Hope Makes Me Not Ashamed** Dr. Frances Harris,2019-07-15 This book is about my life journey about finding myself as I was lost in my fears and the battle with shame and guilt and about how my spiritual life guided by God is full of twists and turns as I experienced his leading voice and as he silently toured me through it all the struggle of an inherited fear of being alone my suppressed feelings of hope for a better day through a life of pain struggles hurt and disappointments trying to reach through faith and hope a place of peace happiness and true joy within myself being taught life struggles through shame pain and personal struggles victory through inner healing and a meaningful purpose the lost hope experienced in witnessing my husband s murder and learning that we can spend time helping others never ourselves We can carry others when they need carrying but leave ourselves behind with no one to carry us but God Sometimes our heartfelt love for God is tested and we should not allow that test to push us away from his presence This is to encourage the reader that your hopes and dreams which are in you are put there as a goal and platform for your life No matter how long it takes keep hoping you will fulfill that destiny and keep reaching and the inner spirit will guide you help you and heal you then place you in life s purpose You will learn that there is a hidden plan for everyone s life but unfortunately everyone doesn t push long enough to acquire it **Tulips Touching** , *Catalog of Copyright Entries* Library of Congress.
