The Three Witches Elena Collins, 2026-03-02 Utterly gripping historical fiction from bestseller Elena Collins perfect for fans of Barbara Erskine *Outlander* and *Weyward Now* When Ruthie gets the part of one of Macbeth's famous three witches she can't wait to get started Inspired by the beauty of the film's Scottish locations and the camaraderie of the cast and crew she can leave behind the expectations of her family and her lacklustre love life at least for now But as echoes from the past begin whispering in Ruthie's ear and a restless spirit draws her further into its centuries old secrets it soon becomes clear that only she can uncover the truth of a terrible injustice 1050 Scotland Isobel and her two sisters have learnt about healing from their loving mother Sidheag and she in turn has kept them safe But without the protection of their late father Sidheag knows that her daughters must find husbands or their futures are at risk Isobel believes in love over duty and when she catches sight of King Macbeth's stepson Lulach she can picture a happiness she had hardly dare imagine But as heir to a Scottish throne that is drenched in blood Lulach's destiny is to be a warrior When Isobel's actions leave her and her sisters vulnerable to accusations of witchcraft there may be nothing that can keep the three women safe not even the great Macbeth himself As the calls from the past grow ever louder Ruthie has no choice Macbeth's witches have a story that needs to be told and the truth can no longer stay hidden Truly unforgettable timeslip historical fiction perfect for fans of Emilia Hart Clare Marchant and C J Cooke Readers love Elena Collins Captivating from start to finish It's not a story it's a moving tale of mystery lost loves which may have been true Another great page turner oh just read another chapter Will not give the story line away just go out and buy it yourself you won't be disappointed and you'll be supporting one of the best U K authors of today I loved this book to the extent I have now purchased *The Witch's Tree* and plan to purchase all her other books in this genre If you like time travel ghost stories with witches thrown in then you should enjoy *The Cornish Witch* I almost didn't want this book to finish Part ghost story and historical romance I really enjoyed it A perfect companion for a winter night One of the best books I've ever read It's virtually impossible to put down It evokes all types of passion from sadness to joy Praise for Elena Collins The emotionally powerful story of Katherine Ferrers really gripped me and the spooky sightings of her ghost were spine tingling Elena writes so beautifully and weaves the threads of the stories together so masterfully Both heartbreaking and hopeful it's a brilliant read Nicola Cornick A wonderful book by a fabulous author Very highly recommended Louise Douglas *The Lady of The Loch* held me spellbound from the first page to the last With two storylines beautifully woven together to create a seamless tale of love loss betrayal and above all hope it's a must read Collins's detailed knowledge of the period trickles through the tale wrapping the reader in a vivid shifting world as it moves between the 14th century and present day Cleverly researched and exquisitely written *The Lady of The Loch* is a timeless story of hope family
