God Is Red:

Over, Under, Around, and Through Jill S. Tietjen, Elinor Greenberg, 2023-06-18 Everyone experiences obstacles as they live their lives. The public seems to believe that successful people have not faced obstacles. That is not true. Successful people experience significant challenges and obstacles over the course of their lifetimes. The secret is in how they surmount those obstacles and use them to learn and to grow stronger. The Work presents short profiles of fifty women who have been inducted into both the Colorado Hall of Fame and others discussing how they dealt with significant obstacles and challenges in their lives. These stories are presented within a framework of ten key characteristics that are embodied in these Hall of Famers and that are responsible for their successes in overcoming the challenges and obstacles that they met throughout their lifelong journeys: mental intelligence, emotional intelligence, social support, moral compass, spirituality, determination, perseverance, persistence, optimism, creativity, resilience, action orientation, and passion. *God is Red* Vine Deloria, 2003. The seminal work on Native religious views asking questions about our species and our ultimate fate. **God Is Red** Vine Deloria, 2010-05-07. First published in 1972. Vine Deloria Jr's *God Is Red* remains the seminal work on Native religious views asking new questions about our species and our ultimate fate. Celebrating 3 decades in publication with a special 30th anniversary edition, this classic work reminds us to learn that we are a part of nature, not a transcendent species with no responsibilities to the natural world. It is time again to listen to Vine Deloria Jr's powerful voice telling us about religious life that is independent from Christianity and that reveres the interconnectedness of all living things. God is Red Vine Deloria, 1973. **God Is Red** Vine Deloria Jr., 2023-06-20. A 50th anniversary revised edition of the beloved classic *God is Red*. First published in 1973. Vine Deloria Jr's *God Is Red* remains the seminal work on Native American religious views asking the reader to think about our species and our ultimate fate in novel ways. Celebrating five decades of publication with this new edition, Deloria's classic work reminds us to understand that we are a part of nature, not a transcendent species with no responsibilities to the natural world. It is time again to listen to Vine Deloria Jr's powerful voice informing us about a spiritual life that is independent of Western religion and that reveres the interconnectedness of all living things. This new edition includes critical essays engaging with the original material by well-known Indigenous thinkers: Philip Deloria, Suzan Shown Harjo, Daniel Wildcat, and David E. Wilkins. Inside the book covers a wide variety of topics including the problem of creation, the origin of religion, death, and human personality. *God is Red* should be read and re-read by Americans who want to understand why the United States keeps losing the peace war after war. Leslie Marmon Silko. **God is Red** Vine Deloria, 2003. The seminal work on Native religious views asking questions about our species and our ultimate fate.
