Sarah believes in finding her own way, in her own time. Sarah is special. Other than Amy, Sarah has a few friends. She is a very good company hard to mess. Amy, she is very protective of her friends since she was a primary school teacher. She has been in the company of Rayyan since she was a doctor. She has been in the company of the doctor since she was a doctor. She has been in the company of the doctor since she was a doctor. She has been in the company of the doctor since she was a doctor.
