## **God Suffering Belief:**

God and Human Suffering Douglas John Hall, 1986 Professor Hall has written a major work on an agonizing subject at once brilliant comprehensive and thought provoking In contrast to many writers who gloss over one or the other Dr Hall is true both to the reality of suffering and to the affirmation that God creates sustains and redeems Creative is his view that certain aspects of what we call suffering loneliness experience of limits temptation anxiety are necessary parts of God s good creation These he distinguishes from suffering after the fall the tragic dimension of life Unique is his structure creation suffering as becoming the fall suffering as a burden redemption conquest from within Professor Hall succeeds in moving the reader beyond the customary way of stating the problem How can undeserved suffering coexist with a just and almighty God He also evaluates five popular leading thinkers on suffering Harold Kushner C S Lewis Diogenes Allen George Buttrick and Leslie Weatherhead

**Why We Suffer** Robin Sacredfire, 2014-09-28 When somebody asks me do you believe in God I have to answer yes but maybe mine is not the one you re talking about Some people get scared and others smile at this answer which can be seen as either a joke or a warning What few people wonder is about what kind of God are they believing in They always assume that if my God isn t the same as theirs I m the one worshipping the wrong God However the question related to believing or not in a God and in what kind of God we believe makes a huge difference when we want to debate the question of why does God allow suffering This difference is behind the creation of millions of different belief systems each one claiming that their God is the true God I m not in favor of the opinion that all Gods are true which even if correct would have to make us question about how many Gods do exist The main point is that it doesn t matter how many Gods exist or if they are all different and true in their uniqueness as they could only operate under one single system that could be common to all human beings on Earth Therefore we can assume that maybe different Gods could have different purposes in different galaxies where beings are also different from us This book proposes to explore and precisely describe how a God or Gods operate in this planet in particular Maybe the rules described here don t match the God of the reader and that s why I must say that this is all about my God the one in which I believe Nevertheless I must mention that I spent my entire life studying different religions with its leaders and each one of them told me that my believe system was the same as theirs at least until we could find something to disagree with which was actually rare because the deeper we go in any study of any religious philosophy the closer we get to the universal truth behind the meaning of each one of them I always believed that my God is a good one so I struggled for many years of my life trying to understand why I was suffering so much and without any mercy And then I wondered why so many good people that I knew were suffering I lost my faith many times and ended up searching for answers in opposite philosophies namely Wicca and Satanic But I realized that their answers were just another perspective about the same reality In fact my researches on the field of exorcism reinforced this knowledge with a more accurate analysis In the end I was able to make my inner positive nature prevail and as I continued my studies among

different religious systems and later in the temples of Buddhists in China and Hindus in India I was able to get a much wider approach to suffering in life Today it s very simple for me to see why anyone suffers It only takes a few seconds to realize it This skill has helped me make many people happy without many efforts And they all said that I changed their life dramatically with just a few very powerful words that they ll never forget The power of these words doesn t come from me but the universal truth that God wants us to learn My life today is far happier than it ever was although I can t say that it s perfect And even though I helped many souls reach a better insight about the meaning of their lives there are still many others that I couldn t help because they are not ready for the truth Even for me it took quite a few years to understand how this truth works Today I know that it doesn t matter if I believe in it or not because you don t need faith to believe in a way out of the suffering At least it s not the most important thing But you do need to know why and how suffering works to understand its meaning In this book the way out of the suffering as well as its reasons are clearly described

**The Belief in a Personal God and a Future Life** Thomas Cooper,Joseph Barker,1860 Suffering and Pain Glenn Pease,Steve Pease,2016-03-18 Suffering and Pain One questions people always ask Why does God let Christians go through pain and suffering It would be great if our lives on Earth were always good and nothing bad happened Because of the fall of man from the perfect life in the beginning we have to endure the same things that all men have to go through God does not cause us to suffer and go through pain but he does allow bad things to happen to good people What will you learn from this book We will go through how God allowed Satan to test Job And how when it was done Job kept his faith and was rewarded many times over be God from what he had before This is what we will have when we are in heaven When bad things happen it is bad just as it was for Job He was at the end of his rope and ready to die and be done with life God uses to bad to create good Many of the bad things that happen do have good come out of it in the end It is hard to see it at the time but when you look back after a while you can see it I know in my life even things like the end of a job at one place can feel terrible at the time but after you get into a new place and find out that the new job is much better than the old you see it was for the best overall The key is to have faith that God is doing the best for you We many times don t thing we agree with things that happen but God sees the whole picture and he knows what is coming in the future We do not kown the future so we can t see the things ahead Be strong and we will see We also know that when we get to Heaven all things will be perfect and we will have no pain or suffering anymore Life in Christ Bible: Discovering, Believing, and Rejoicing in Who God Says You Are (NKJV, Comfort Print) Thomas Nelson,2024-09-03 Discover who God says you are and who Christ makes you to be from the pages of Scripture Our identities the people we are shape how we live each day We build our identities around our work our

interests and our families God made us to live out of a deeper identity one based in who He says we are and find fulfilment in the identity Christ gives us The Life in Christ Bible invites you to discover believe and rejoice in who God says you are You will learn what it means to bear God s image and find our identity in Christ with notes that trace these themes throughout all Scripture You will explore what it means to live out of your true identity day by day with practical wisdom from 16 key topics And you will be encouraged by quotes revealing the good news of being made in the image of God and conformed to the image of Christ Genesis 1 27 Romans 8 29 Features include Book introductions that feature identity related themes and topics found in each book 1000 chain referenced notes connected to 40 themes related to our identity in Christ that run throughout the Bible 70 chained articles addressing 16 identity focused topics 50 encouraging quotes about our identity and life in Christ 17 charts Concordance End of page translators notes and cross references Line matched single column typesetting Clear and readable 9 point NKJV Comfort Print

**Is God Helpless?** Peter Cotterell,1996-01-01 Peter Cotterell argues against the belief that suffering is willed by God or caused by God His search for answers to human suffering leads to some challenging conclusions God does not shelter Christians from suffering and God is not on the throne the task of the Christian and the task of the church is to heal the suffering and restore God s sovereignty *Christian Science Contrasted with Christian Faith, and with Itself* William Lefroy,1903 *Why Does God Allow Death and Suffering?* Massimo Lorenzini,2009-07-28 Christians claim belief in a good God who is all powerful and all loving Yet we cannot escape the reality of evil and suffering in the world Many people reject belief in God because they can t imagine a world in which God and evil both exist How can the existence of evil be reconciled with faith in a God who is all powerful and who is loving and good This booklet provides a reasoned and biblical answer

**Is God to Blame?** Gregory A. Boyd,2009-09-20 Is God to blame This is often the question that comes to mind when we confront real suffering in our own lives or in the lives of those we love Pastor Gregory A Boyd helps us deal with this question honestly and biblically while avoiding glib answers Writing for ordinary Christians Boyd wrestles with a variety of answers that have been offered by theologians and pastors in the past He finds that a fully Christian approach must keep the person and work of Jesus Christ at the very center of what we say about human suffering and God s place in it Yet this is often just what is missing and what makes so much talk about the subject seem inadequate and at times even misleading What comes through in *Is God to Blame* is a hopeful picture of a sovereign God who is relentlessly opposed to evil who knows our sufferings and who can be trusted to bring us through them to renewed life

*Christian Register and Boston Observer...* ,1899 **Readings from Friedrich Von Hügel** Friedrich Freiherr von Hügel,1928 **Malum** Ingolf U. Dalferth,2022-05-31 The incursion of evil has always caused people to turn to the divine to gods or to a god in order to reorientate their life Ingolf U Dalferth studies the complexity of this procedure in three thought processes that deal with the central concepts in the Christian understanding of malum as privation a lack of good as evil doing and as a lack of faith In doing so he provides a detailed discussion of theories of theodicy the argument from freedom

and the religious turn to God in which the author explores the traces of the discovery of God's goodness, justice, and love in connection with the malum experiences in ancient mythology and biblical traditions. Fiddes, 1988. The theme that God suffers with his world has become a familiar one in recent years, overturning centuries of belief in an impassible deity.
