*A God's Game* Andrew Whyte,2023-12-18 Failure Abuse Loss Pain That is what Warterria brings that is what the remaining players of this deadly game have experienced And that is why so many are willing to do whatever it takes to win Every human in Warterria has their own life to live and they aren't willing to give up on it so easily With their dreams goals beliefs and desires on the line everything is coming to a head So with the final stage set it only makes sense for the self-conscious Rift to challenge the condescending god Vokai to one more game A game between man and god that will decide the outcome of how everything else will go for the humans trapped in Warterria Will everything Rift learned and experienced be enough to topple a god or will centuries of godly gaming knowledge overwhelm this one human Will the humans finally be free of this gaming torment will the three gods finally proclaim one of them as the true god of games or will human unpredictability flip everything on its head in this heart-pounding conclusion of a god's game
