

## **Rivers.**

*As a river flows  
It begins to change  
And that is why rivers  
Never stay the same  
And just like a river  
My currents shift each day  
And the way I am right now  
Might not always remain  
So if you're searching  
For the one I used to be  
They have washed away  
All the way out to sea*

## Going Back To The River Poems:

**Going Back to the River** Marilyn Hacker, 1990      Brocade River Poems Xue Tao, 2016-06-10 Xue Tao A D 768 831 was well known as a poet in an age when all men of learning were poets and almost all women were illiterate As an entertainer and official government hostess she met and impressed many of the most talented and powerful figures of her day As a maker of beautiful paper and a Taoist churchwoman she maintained a life of independence and aesthetic sensibility As a writer she created a body of work that is by turns deeply moving amusing and thought provoking Drawing knowledgeably on a rich literary tradition she created images that here live again for the contemporary reader of English This bilingual edition contains about two thirds of Xue Tao's extant poems The translations are based on accurate readings of the originals and extensive research in both Chinese and Japanese materials The notes at the end of the book explain allusions and place the poems in the context of medieval Chinese culture and its great literary heritage while the opening essay introduces Xue Tao's work and describes her unusual life history

**Poems** William Ambrose Short, 1918      *The Poetry of Du Fu* Stephen Owen, 2015-11-13 The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition The English translation is more scholarly than vernacular Chinese translations and it is compelled to address problems that even the best traditional commentaries overlook The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources For convenience the translations are arranged following the sequence in Qiu Zhao'an's *Du shi xiangzhu* although Qiu's text is not followed Basic footnotes are included when the translation needs clarification or supplement Endnotes provide sources textual notes and a limited discussion of problem passages A supplement references commonly used allusions their sources and where they can be found in the translation Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested The scholar may use this as a baseline to agree or disagree Other readers can feel confident that this is a credible reading of the text within the tradition A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu which can present problems for even the most learned reader
