God Shock Stefan Rochfort,2001-08-08 Wake up man you just slept through Armageddon she said roughly shaking the deadweight Saladin by the shoulders He came awake with the bleary eyed reluctance of a teenage boy being torn from a wet dream into a hangover The coroner surveyed the charred collection of bones and pronounced it with astounding professional accuracy dead What the coroner failed to ascertain with accuracy was the true cause of death On the file it all looked very convincing Death by incineration but in fact the onus for Rutherford s death lay with a man whose cranium he had recently sawn into Athena is an info merc She gets paid to sift Intelligent software crafted in her fibre optic nest her sift engines and AI spiders have gained her a healthy profit A client has just made the mistake of paying her too well for a score Curiosity overtakes caution and drops her hard into an adventure that stretches from the madness within to the drug induced climax of the human species A fast epic *God Shock* follows Athena inside an institute where reality is detuned through a hidden city where pleasure has been tweaked into a weapon against the frightening assault of boredom to the beautiful and twisted landscape of a diseased intranet all the way to the threshold of her sanity Luckily her sense of humor is well intact From thought provoking to cynical to downright funny all in all *God Shock* is a good mind bending trip Locus Magazine

Turtle on a Fence Post Joan (Henry) Farr,2024-10-31 The helicopter lifted off from a small village in the rainforest of Papua New Guinea Joan sat tears pouring down her cheeks staring blankly out the window unable to take it in Ten years of her life her whole heart and all her creativity had been invested there Was it now to be abruptly torn away forever with no completion or closure This was just one of a succession of dramas and challenges that seemed to characterize Joan s career

as a missionary involved in Bible translation The desperation she often felt drove her deeply and intensely to God That is why the imagery of the title was chosen based on the following quotation May your life so resemble a turtle on a fence post that all who see you will know that you could not possibly have gotten there by yourself The book is full of God moments and insights as Joan through a lifelong process becomes God s own turtle on a fence post You ll read about spiritual darkness confusion and discouragement but also joyful mountaintop discoveries the challenges and fascination of translating God s Word into a previously unwritten language and how a good sense of humor definitely helps maintain sanity under pressure Joan says I m very much hoping that you my reader will find multiple connection points even if your life circumstances are vastly different than mine because our God is working toward similar goals in all of us to make us more like Him That is why I have chosen to be quite transparent with you hoping it will help you identify with me warts and all It is God s hand that I want you to look for with an open heart as you read my stories May my hard won lessons also help you in your journey
