God The Problem

Craig Lantz, ThD, PhD

God The Problem:

God the Problem Gordon D. Kaufman, 1972 The most discussed and most significant issue on the religious scene today is whether it is possible or even desirable to believe in God Mr Kaufman s valuable study does not offer a doctrine of God but instead explores why God is a problem for many moderns the dimensions of that problem and the inner logic of the notion of God as it has developed in Western culture His object is to determine the function or significance of talk about God how the concept of God is generated in human experience the special problems in turn generated by this concept for example the intelligibility of the idea of transcendence the problem of theodicy and how they are met and under what circumstances the idea of God is credible or important or even indispensable He does not try to prove God s existence or nonexistence but elucidates what the concept of God means and the important human needs it fulfills Four of the eleven essays have been previously published at least in part seven are completely new *The God Problem* Robert Wuthnow, 2012-09 The message of this book is that we can learn something important about faith by listening closely to the language people use in talking about their faith Preface **GOD'S ANSWER: Debunking Bart Ehrman's "God's Problem"** Craig Lantz, ThD, PhD, 2025-10-14 This book God s Answer Why God Allows Human Suffering is a theological and biblical response to Bart Ehrman s book God s Problem For Professor Ehrman God has a huge problem There is no defense explaining to people the reasons why there is so much suffering in the world IF THERE IS A LOVING GOD There is no logical explanation sufficient for Dr Ehrman He CLAIMS he was a born again Christian at one time He has now renounced his long held belief in God the biblical Jesus and the trustworthiness of the Bible He is now an atheist yet a highly acclaimed Bible Scholar The evidence of war poverty murder rape killing and robbery are daily norm in this world How can we explain the presence of evil and human suffering This book examines the origins of evil and the reasons for the ongoing presence of evil in the world I offer theological insights and biblical responses to Professor Ehrman s book Like it or not this IS THE WORLD we live in Is there hope for the future Does the Bible have anything to say about the current state of affairs You WILL find the ANSWERS to these questions in God s Answer Following the structure of his book God s Problem this essay is a critical evaluation of his arguments and conclusions about the problem and human suffering and the existence of an All Powerful and Loving God Buy your copy today and if you learn ANYTHING like or dislike my answers please write a review I welcome YOUR opinion on the matter God's World and Word Neal Larkin Anderson, 1926 **If God Is Good** Randy Alcorn, 2014-06-17 Suffering is in the end God s invitation to trust him As he did in his best selling book Heaven Randy Alcorn delves deep into a profound subject and through compelling stories provocative questions and answers and keen biblical understanding he brings assurance and hope to all Publishers Weekly Every one of us will experience suffering You may be in such a time now We see the presence of evil in the headlines every day It all raises questions about God Why would an all good and all powerful God create a world full of evil and suffering How can there be a God if suffering and evil exist Atheists such as Richard Dawkins

and even former believers like Bart Ehrman answer the question simply The existence of suffering and evil proves there is no God But in this illuminating book best selling author Randy Alcorn challenges the logic of disbelief and brings a fresh hopeful and thoroughly biblical insight to the issues these important questions raise Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering and yet whose faith in God burns brighter than ever He reveals the big picture of who God is and what God is doing in the world now and forever And he shows the beauty of God s sovereignty how it ultimately triumphs over suffering and evil in our lives and the world around us **Does God Send**
