

- 6 *It's amazing the way they work together.*
 It is not normally used as a preparatory subject for noun phrases.
The new concert hall is wonderful. (not *It's wonderful the new concert hall.*)
 But in an informal style, it can be a preparatory subject for noun +
 relative clause.
It's wonderful the enthusiasm that the children show.
 This is very common with the way . . .
It's amazing the way (that) they work together.
It's strange the way you know what I'm thinking.

The pattern structures with it as a preparatory subject. (p. 17)

7 preparatory it not possible for complements

It can be used as a preparatory subject, or as a preparatory object (p. 200), but not as a preparatory complement.

This chair is comfortable to sit on. (not *not it is comfortable to sit on this chair.*
 (to sit on is the complement of comfortable.)

The impression was given that travel expenses would be paid. (not *not it was given the impression that travel expenses would be paid.* (that travel expenses . . . is the complement of the impression.)

269 preparatory it: object

1 *I find it difficult to talk to you.*

We can sometimes use it as a 'preparatory object'. This happens when the object of a verb is an infinitive or a clause, and when this has an adjective or noun complement. For example, instead of saying '*I find to talk to you difficult*', we prefer '*I find it difficult to talk to you*'.

subject + verb + it + complement + infinitive/clause

We found it tiring to listen to him. *My blister made it a problem to walk.*

I thought it strange that she hadn't written.

George made it clear what he wanted.

It is quite often dropped from *make (it) clear that . . .*

The Prime Minister has made clear that he will not allow a free vote.

Note that this structure is not normally used when there is no adjective or noun complement after the verb.

I cannot bear to see people crying. (not *I cannot bear it to see people crying.*)

I remember that we were very happy. (not *I remember it that . . .*)

But note the structure *I like/love/hate it when . . .*

I love it when you sing. *I hate it when strangers use my first name.*

Note also the idiom *I take it that . . .* (= I assume that . . .).

I take it that you won't be working tomorrow.

2 *I found it strange being . . .*

This structure is also possible with -ing form objects.

I found it strange being in her house.
