The Works of Samuel Johnson, Volume One Samuel Johnson, 2021-01-05. A brief essay on the life and genius of the prolific eighteenth-century English author followed by a selection of his poetry, letters, and a novella. Under the pen name Dr Johnson, English writer Samuel Johnson was a biographer, essayist, lexicographer, literary critic, moralist, playwright, poet, and travel writer. The son of a bookseller, he made so many contributions to the English language that he is regarded as one of the greatest figures of eighteenth-century literature. The first of nine volumes, *The Works of Samuel Johnson, Volume One*, includes an essay on the life and genius of Samuel Johnson, followed by a collection of his poetry, including his *Drury Lane Prologue*, *On the Death of Mr Robert Levet*, and *The Vanity of Human Wishes*. A selection of his personal correspondence is featured, as well as his great satirical novella, *The History of Rasselas, Prince of Abissinia*.

Rasselas Prince Of Abyssinia Samuel Johnson, 2023-07-01. Samuel Johnson, an influential 18th-century English author, poet, and lexicographer, wrote the book *Rasselas, Prince of Abyssinia*. The protagonist of this story, Prince Rasselas, travels in search of the meaning of happiness and the key to a happy existence. The narrative, which is set in the made-up country of Abyssinia (modern-day Ethiopia), examines Prince Rasselas's unhappiness and restlessness despite his fortunate status. In his exploration of existential issues, Johnson looks at issues including human aspirations, the search for knowledge, the nature of love, and the difficulties of finding satisfaction in an uncertain world. The book provides important insights into the human condition and the shared pursuit of happiness via the realistic character portrayals and stimulating interactions. Johnson's particular literary style, exemplified by his intellectual depth, moral thoughts, and elegant language, is on display in *Rasselas, Prince of Abyssinia*. *Rasselas, Prince of Abyssinia* is still regarded as a notable piece of English literature because of its ageless themes and captivating story.

Samuel Johnson Walter Jackson Bate, 1977. In this biography, a work that won three of the most prestigious literary prizes, this country offers W. Jackson Bate's deep dive into the character that formed Johnson's awesome intellect and fueled his prodigious output. The first great modern biography of Johnson, it confirms that his statements and judgments on literature, politics, religion, and behavior on all human experience are as relevant in our age as when they were first uttered. This new edition brings a modern classic back into print and includes a new preface from the author.
