 Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the
 subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone
 compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and
 those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a
 product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their
 promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual
 warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in
 high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the
 Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai
 and of course Goliath learn about their fabled size their formable weapons and why they all were so easily defeated This
 exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes
 personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help
 them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be
