

Fall Of The Soviet Union

Richard Sakwa

Fall Of The Soviet Union:

Why Did the Soviet Union Collapse? Robert Strayer, 1998-05-18 Taking the Soviet collapse the most cataclysmic event of the recent past as a case study this text engages students in the exercise of historical analysis interpretation and explanation In exploring the question posed by the title the author introduces and applies such organizing concepts as great power conflict imperial decline revolution ethnic conflict colonialism economic development totalitarian ideology and transition to democracy in a most accessible way Questions and controversies and extracts from documentary and literary sources anchor the text at key points This book is intended for use in history and political science courses on the Soviet Union or more generally on the 20th century

The Rise and Fall of the Soviet Union Martin Mccauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

Collapse Vladislav M. Zubok, 2021-11-30 A major study of the collapse of the Soviet Union showing how Gorbachev's misguided reforms led to its demise A deeply informed account of how the Soviet Union fell apart Rodric Braithwaite Financial Times A masterly analysis Joshua Rubenstein Wall Street Journal In 1945 the Soviet Union controlled half of Europe and was a founding member of the United Nations By 1991 it had an army four million strong with five thousand nuclear tipped missiles and was the second biggest producer of oil in the world But soon afterward the union sank into an economic crisis and was torn apart by nationalist separatism Its collapse was one of the seismic shifts of the twentieth century Thirty years on Vladislav Zubok offers a major reinterpretation of the final years of the USSR refuting the notion that the breakup of the Soviet order was inevitable Instead Zubok reveals how Gorbachev's misguided reforms intended to modernize and democratize the Soviet Union deprived the government of resources and empowered separatism Collapse sheds new light on Russian democratic populism the Baltic struggle for independence the crisis of Soviet finances and the fragility of authoritarian state power

The Collapse of Communism in the Soviet Union William E. Watson, 1998-05-26 A one stop source of information analysis biographical profiles and key primary documents on the collapse of communism in the Soviet Union Studies the rise and fall of a superpower and its ruling party Following a

chronology of events five essays provide a narrative overview and discuss the evolution of Perestroika the Brezhnev Doctrine and the Afghan War nationalism and the end of the Soviet empire and Russia after the collapse of Communism Also contains biographical profiles of 15 leaders the text of 22 documents including writings by key figures a glossary and an annotated bibliography

The Demise of the Soviet Union Jan Hallenberg, 2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general

The Fall of the Soviet Union Blackbird House, 2026-01-17 The Soviet Union was a superpower And then it was gone This book explores one of the most dramatic collapses in modern history the sudden disintegration of a vast state built on ideology control and fear But it does more than explain how the Soviet Union fell It asks what survived in its shadow From Cold War propaganda to everyday exhaustion from glasnost to tanks in the streets this book takes readers inside the human experience of a system collapsing from within It is not a story of simple villains or easy blame but a grounded and reflective journey through control hope decay and memory The book examines life under surveillance and the quiet forms of resistance that sustained people for decades It explains why the economy deteriorated even as military power remained intact and how attempts at reform destabilized the system they were meant to save Nationalism regional identities and the growing distance between center and periphery are shown as key forces behind the breakup The failed coup of 1991 stands at the center of the narrative not as the cause of collapse but as the moment when the Soviet state could no longer hold itself together The story then follows the immediate aftermath asking what Russia became and why the legacy of the Soviet Union continues to shape politics society and memory Written for readers interested in history politics and world affairs The Fall of the Soviet Union presents collapse not as a clean ending but as a process that leaves fragments behind Collapse is never simple It leaves pieces behind

The Fall of the Soviet Union Miles Harvey, 1995 Dramatic and defining moments in American history come vividly the life in the Cornerstones of Freedom series

The Rise and Fall of the Soviet Union Richard Sakwa, 2005-08-17 Through sources and documents The Rise and Fall of the Soviet Union by Richard Sakwa places the Soviet experience in historical and comparative context The author introduces each source in this volume fully and provides commentary and analysis Using eye witness accounts official documents and new materials which have just come to light Richard Sakwa gives an historical overview of the Soviet Union

from the revolution of 1906 to the fall of the regime *The Rise of Russia and the Fall of the Soviet Empire* John B. Dunlop,1995-04-23 This is the first work to set one of the great bloodless revolutions of the twentieth century in its proper historical context John Dunlop pays particular attention to Yeltsin s role in opposing the covert resurgence of Communist interests in post coup Russia and faces the possibility that new institutions may not survive long enough to sink roots in a traditionally undemocratic culture

Age of Delirium David Satter,2001-01-01 Feared and respected as one of the world s two great superpowers the Soviet Union throughout the final twenty years of its life was a model of state organized delusion As David Satter shows in powerful detail the leaders of the Kremlin found that when their carefully constricted facade fell apart in the late 1980s there was nothing to prop up the crumbling ruins Satter s book demonstrates compellingly how the Soviet people were forced to live a gigantic lie During nearly two decades of reporting for the Financial Times and Reader s Digest he interviewed Soviet citizens all across the vast country not just the dissidents and party apparatchiks in Moscow but ordinary men and women Traveling with him from coal mines and farms to bureaucratic reception halls to the nightmarish wards of punitive psychiatric hospitals to railroad stations where victims of the Communist system set up camp the reader witnesses how an entire state was constituted on the basis of a fraudulent version of reality In the Soviet Union lying at the grocery and the factory as well as the government office was universal and obligatory and Westerners were seldom able to penetrate the perplexing mosaic of wishful thinking and denial that camouflaged a brutal regime

The Fall of the Soviet Union, 1991 Susan Sales Harkins,William H. Harkins,2008-09 Soviet history begins with bloodshed oppression and strife Civil War stained the Russian landscape with the blood of its people after Nicholas II abdicated his throne to a provisional government The Bolsheviks wanted Russia and eventually they took her Peasants became citizens with rights but the truth is the civil war only changed the name of their oppressor from czar to Communist dictator After decades of isolation and sometimes harsh living conditions Mikhail Gorbachev ushered in an age of reform but in doing so he made enemies Then Boris Yeltsin championed reform and the rights of the people When Communist hard liners made one last effort to regain control Yeltsin held his ground Unlike its birth the death of the Soviet Union saw little bloodshed After seventy years even the Communist hard liners no longer had the stomach for killing citizens to keep control The union dissolved in 1991

The Rise and Fall of the Soviet Union Michael Kort,1992 A history of the Soviet Union which begins with the conditions leading up to the revolution of 1917 and concludes with the collapse of the Soviet Union in 1991

The Collapse of the Soviet Union The Associated Press,2015-03-30 On December 25 1991 Mikhail S Gorbachev the eighth and final leader of the Soviet Union resigned as president of the Communist empire turning power over to the new commonwealth that replaced it This event marked the official end of the Cold War which had imperiled the world for over four decades AP was there to provide a unique look at the story through the eyes of Associated Press reporters and photographers

[The Decline and Fall of Soviet Empire](#) Fred Coleman,1996 Red Coleman A Moscow correspondent for the Associated Press Newsweek and U S

News and World Report has spent over thirty years gathering observations and experiences to produce this in depth up close definitive examination of the fall of the Soviet Union and the people and events that contributed essentially to its demise From the Kremlin Palace coup against Nikita Khrushchev in 1964 to the invasion of Czechoslovakia and the emergence of the Soviet dissident movement during Leonid Brezhnev's rule to the rise and fall of Mikhail Gorbachev and Boris Yeltsin's troubled presidency through 1995 Coleman was the man on the scene for virtually every defining event of Russian history in the postwar era [The Collapse of the Soviet Union, Updated Edition](#) Susan Darraj,2021-09-01 The dissolution of the Union of Soviet Socialist Republics on December 31 1991 stunned the world The communist empire which had been a dominant force in global politics for 74 years influencing world events from World War II to issues of nuclear weapons and defense was suddenly gone Illustrated with full color and black and white photographs and accompanied by a chronology bibliography and further resources The Collapse of the Soviet Union Updated Edition highlights major events in Soviet history such as the rise of communism in Russia the terror and expansionist policies of Joseph Stalin the election of Mikhail Gorbachev the explosion at the Chernobyl nuclear reactor and the rivalry between Gorbachev and Boris Yeltsin as a new more democratic Russia emerged from the ashes of the Soviet Union Historical spotlights and excerpts from primary source documents are also included **Socialism Betrayed** Roger Keeran,Thomas Kenny,2010-10-20 A fresh multi faceted look at the overthrow of the Soviet State the dismemberment of the Soviet Union and the campaign to introduce capitalism from above Roger Keeran and Thomas Kenny have given us a clear and powerful Marxist analysis of the momentous events which most directly shaped world politics today the destruction of the USSR the Superpower of socialism Norman Markowitz author of The Rise and Fall of the People's Century I have not read anything else with such detailed and intimate knowledge of what took place This manuscript is the most important contribution I have read Phillip Bonosky author of Afghanistan Washington's Secret War A well researched work containing a great deal of useful historical information Everyone will benefit greatly from the mass of historical data and the thought provoking arguments contained in the book Bahman Azad author of Heroic Struggle Bitter Defeat Factors Contributing to the Dismantling of the Socialist State in the USSR **The Formation and Dissolution of the Soviet Union** Budd Bailey,2018-07-15 The formation and dissolution of the Soviet Union impacted the entire world The Soviet Union was guided by the principles of communism Conflict emerged between the Soviet Union and capitalist countries namely the United States and those in Western Europe Eventually the Soviet Union dissolved in 1991 as a result of a declaration that recognized the independence of the former Soviet republics This book examines how the history geography and culture of the region impacted the formation and dissolution of the Soviet Union [The Rise and Fall of the Soviet Empire](#) Dmitrii Antonovich Volkogonov,1998 Following his great trilogy of biographies of the giants who dominated the history of the Soviet Union Stalin 1991 Lenin 1994 and Trotsky 1996 Dmitri Volkogonov delves deeper into the Soviet archives to produce new character evaluations and political assessments of the seven leaders who ruled the Soviet Union

from 1917 to 1991 A former general in the Soviet Army s propaganda department Director of the Institute for Military History and Defence Adviser to President Yeltsin from 1991 to his death from cancer in December 1995 Dmitri Volkogonov had unrivalled access to Soviet military archives Communist Party documents and secret presidential files Basing his new book on these inside sources he has continued his pioneering work of revealing the truth behind the activities of the world s most secretive political leaders He throws new light on Lenin s paranoia about foreigners in Russia his creation of a privileged system for top Party members Stalin s repression of the nationalities and his singular conduct of foreign policy the origins and conduct of the Korean War Khrushchev s relationship with the odious secret service chief Beria Brezhnev s vanity and stupidity the Afghan War Poland and Solidarity Soviet bureaucracy Gorbachev s Leninism and role in history

Revolution from Above David Michael Kotz,1997-01 Controversially this book argues that the ruling party state elite in the USSR itself moved to dismantle the old system Topics discussed include the beginnings of economic decline in 1975 Gorbachev s efforts to democratize and decentralize the complex political battle through which the coalition favouring capitalism took power the flaws in economic policies intended to rapidly build capitalism the surprising resurgence of Communism Research includes interviews with over 50 former Soviet government and Communist party leaders policy advisors new private businessmen trade union leaders and intellectuals Final Days Andrei S. Grachev,2019-03-11 As press secretary to Mikhail Gorbachev Andrei Grachev witnessed and recorded many events unobserved by the general public In this engaging and compelling book he recounts these episodes in vivid detail interpreting them in the context of the time Highlighted are top level meetings with Western leaders State Council debates on a new treaty of union promising until Gorbachev and Yeltsin sparred over Russia s policy toward the Chechen republic and Gorbachev s private talks with leading members of government business and religious and cultural circles from around the world
