mind Beginning with this provocative question Emmanuel Jal invites readers to claim ownership over the narratives that  
define their lives in order to become a force for good in the world As a child growing up in South Sudan Jal witnessed  
atrocities perpetrated against his family and community These actions drove him to become a child soldier in a vicious civil  
war Hunger isolation and the ever present specter of death in battle attended his every moment Yet his greatest challenge  
did not come from outside it arose from within from the corrosive nature of hopelessness trauma and narratives of  
victimization Rather than succumb to these forces of negativity Jal turned his life s challenges into opportunities by utilizing a  
comprehensive framework he developed around eleven pillars of support These pillars can be utilized individually or as a unit
