

# Adoption vs foster care

## Adoption

The adopted child is permanently separated from biological parents, becomes lawful child of adoptive parents with all the rights, privileges and responsibilities that are attached to the biological child.

## Foster care

- ♦ **Short-term foster care:**  
For a period of not more than a year
- ♦ **Long-term foster care:**  
For more than one year. This can be periodically extended by the CWC till the child turns 18

## End of a journey

As per Model Foster Care Guidelines, 2024, foster care can be terminated when:

- ♦ Child's biological parent requests the CWC for custody of the child. This may happen in cases where the biological parent was unavailable "due to imprisonment or institutionalisation for treatment of mental illness"
- ♦ A suitable adoptive family is found for the child above the age of 6
- ♦ Child attains the age of 18
- ♦ A complaint is made and investigation finds that child has stopped going to school/ has been subjected to abuse/is engaged in labour etc
