Clapton Eric Clapton,2007-10-09 With striking intimacy and candor Eric Clapton tells the story of his eventful and inspiring life in this poignant and honest autobiography More than a rock star Eric Clapton is an icon a living embodiment of the history of rock music Well known for his reserve in a profession marked by self promotion flamboyance and spin he now chronicles for the first time his remarkable personal and professional journeys Born illegitimate in 1945 and raised by his grandparents Eric never knew his father and until the age of nine believed his actual mother to be his sister In his early teens his solace was the guitar and his incredible talent would make him a cult hero in the clubs of Britain and inspire devoted fans to scrawl Clapton is God on the walls of London's Underground With the formation of Cream the world's first supergroup he became a worldwide superstar but conflicting personalities tore the band apart within two years His stints in Blind Faith in Delaney and Bonnie and Friends and in Derek and the Dominos were also short lived but yielded some of the most enduring songs in history including the classic Layla During the late sixties he played as a guest with Jimi Hendrix and Bob Dylan as well as the Beatles the Rolling Stones and longtime friend George Harrison It was while working with the latter that he fell for George's wife Pattie Boyd a seemingly unrequited love that led him to the depths of despair self imposed seclusion and drug addiction By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard with its massive hit I Shot the Sheriff He followed that with the platinum album Slowhand which included Wonderful Tonight the touching love song to Pattie whom he finally married at the end of 1979 A short time later however Eric had replaced heroin with alcohol as his preferred vice following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage In the eighties he would battle and

begin his recovery from alcoholism and become a father But just as his life was coming together he was struck by a terrible blow His beloved four year old son Conor died in a freak accident At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction But now a much stronger man he took refuge in music responding with the achingly beautiful Tears in Heaven Clapton is the powerfully written story of a survivor a man who has achieved the pinnacle of success despite extraordinary demons It is one of the most compelling memoirs of our time *Eric Clapton - Happy Xmas Songbook* Eric Clapton,2018-10-01 Piano Vocal Guitar Artist Songbook 16 holiday songs presented in Slow Hand s blues style are presented in this collection which matches Clapton s October 2018 album release Songs Away in a Manger Once in Royal David s City Christmas in My Home Town Christmas Tears Everyday Will Be like a Holiday For Love on Christmas Day Have Yourself a Merry Little Christmas Home for the Holidays It s Christmas Jingle Bells In Memory of Avicii A Little Bit of Christmas Love Lonesome Christmas Merry Christmas Baby Sentimental Moments Silent Night White Christmas You Always Hurt the One You Love Eric Clapton Eric (COP) Clapton,2011-05 Fender G Dec Guitar Play Along This book SD card series lets you play your favorite songs just like the artists who recorded them by plugging into your Fender G DEC 3 and playing along with the sound alike recordings Each book features 8 songs with an SD card that includes tone presets along with high quality backing tracks Just follow the tab in the songbook listen to the tracks to hear how the guitar should sound and then play along using the separate backing tracks The melody and lyrics are also included in the book so you can sing along The play along recordings can be accessed by simply inserting the card into the G DEC 3 amp s card slot In addition custom G DEC 3 tone presets are included so guitarists can easily enjoy playing the right guitar tones and effects for each song Students and teachers who use G DEC 3 amplifiers will find their lesson experience greatly enhanced by these convenient tools SD card details Compatible with Fender G DEC 3 Thirty and G DEC 3 Fifteen amplifiers or card reader on computer Full fidelity demo and play along audio tracks wav format G DEC 3 tone presets are included so guitarists can create the right tones and effects for each song in the book SD card has additional storage capability allowing guitarists to save additional presets backing tracks phrase samples or lessons This volume features 8 Clapton classics including Badge Bell Bottom Blues Change the World Cocaine Key to the Highway Lay Down Sally White Room Wonderful Tonight *Eric Clapton's Best* Eric Clapton,1994 Easy Guitar 24 classics arranged for easy guitar including After Midnight I Shot the Sheriff Lay Down Sally Layla White Room Wonderful Tonight and more
