Libertinage in Russian Culture and Literature Alexei Lalo,2011-09-09 Much of the previous scholarship on Russia s literary discourses of sexuality and eroticism in the Silver Age was built on applying European theoretical models from psychoanalysis to feminist theory to Russia s modernization This book argues that at the turn into the twentieth century Russian popular culture for the first time found itself in direct confrontation with the traditional high cultures of the upper classes and intelligentsia producing modernized representations of sexuality This Russian tradition of conflicted representations heretofore misassessed by literary history emerges as what Foucault would call a full blown bio history of Russian culture a history of indigenous representations of sexuality and the eroticized body capable of innovation on its own terms not just those derivative from Europe

Picasso Érotique Pablo Picasso,2001 The career of the greatest painter of the twentieth century was played out in the shadow of Eros and of Thanatos At the age of eight Picasso s first drawings already displayed a precocious interest in the female form and in the days leading up to his death he was still working obsessively on sketches of the female sex At the turn of the century the young Picasso created drawings and watercolors inspired by the bordellos of Barcelona which he frequented These works mix desire fascination but also comedy and the grotesque alongside the ever present fear of disease They would result seven years later in his masterpiece *Les Femmes d'Alger* (O. J. R. M.) The works in this ground breaking book include erotic drawings formal and informal sketches in notebooks hidden in drawers and private collections and occasionally paintings and sculptures Through all these works the essays by an international team of scholars analyse the primeval notion of desire in Picasso s work as well as his relation to voyeurism and exhibitionism to artist and model Whether through playful or hallucinatory forms Picasso s representation of the desiring and desired body has become a pivotal moment in the history of twentieth century art Produced to accompany a major exhibition in Paris Montreal and Barcelona *Picasso Erotique* is a unique examination of the central theme in Picasso s work

Strolls with Pushkin Andrei Sinyavsky,2016-12-06 Andrei Sinyavsky wrote *Strolls with Pushkin* while confined to Dubrovlag a Soviet labor camp smuggling the pages out a few at a time to his wife His irreverent portrait of Pushkin outraged migr s and Soviet scholars alike yet his disrespect was meant only to rescue Pushkin from the stifling cult of personality that had risen up around him Anglophone readers who question the longstanding adoration for Pushkin felt by generations of Russians will enjoy tagging along on Sinyavsky s strolls with the great poet discussing his life fiction and famously untranslatable poems This new edition of *Strolls with Pushkin* also includes a later essay Sinyavsky wrote on the artist *Journey to the River Black*

Erotic Grotesque Nonsense Miriam Silverberg,2006 A sumptuously documented book one that makes innovative use of the principle of montage to generate

informative historical readings of Japan's myriad mass cultural phenomena in the early twentieth century. Both in terms of its scholarship and its methodology, this is a truly admirable work. Rey Chow, Andrew W. Mellon Professor of the Humanities, Brown University. As Miriam Silverberg has brilliantly shown here, the modern times of the 1920s and 30s in Japan were rendered in a cacophony of cultural mixing, a period of consumerist desires and Hollywood fantasy-making, but also the rise of nationalist empire-building. Excavating its kaleidoscope of everyday culture, Silverberg astutely offers a theory of montage for how Japanese subjects code-switched in juggling the mixed cultural-political elements of these times. Utilizing a montage of media, texts, sites, and scholarship, Silverberg leads the reader into the terrain of the erotic grotesque nonsense in a work that is as scintillating as it is theoretically important. Anne Allison, author of *Millennial Monsters: Japanese Toys and the Global Imagination*. Unlike other scholars who merely view *ero guro nansensu* in its literal meanings, Silverberg brilliantly documents it as a complex cultural aesthetic expressed in a spectrum of fascinating mass culture forms and preoccupations. With great erudition and humor, she traces the sensory and conceptual modes that are animated with potency and sophistication through this cultural metaphor. This book is destined to be a classic in Japan scholarship. Laura Miller, author of *Beauty Up: Exploring Contemporary Japanese Body Aesthetics*. **The Crimson Woman - A Fantasy Realized** Patricia K. McCarthy, 2008. How do you kill a nine hundred twenty-seven-year-old vampire? The *Crimson Woman: A Fantasy Realized*. Sir William's charismatic presence, his power, his romantic influence is magnetic. Samuel assembles a posse of highly skilled inebriates to defeat an undefeatable vampire. Armed with the sage advice from his wife's Newfoundlander aunt, he devises a master plan that is thoroughly drenched in dark rum. Steeped in eroticism, blood, and hilarious eccentricity, Samuel will get back the woman he adores at all costs; his life depends on it. The ending is a romantic transformation that burns up the pages.

Commemorating Pushkin Stephanie Sandler, 2004. *Commemorating Pushkin* is a study of the fascination with Pushkin that has helped Russian culture define itself as seen in poems, stories, essays, memoirs, films, museums, and commemorative celebrations. **The Soviet Review**, 1992. *Oeuvres* Francois Villon, 1923. *Cinema 1900/1906: Filmography*, 1982.

Notice des tableaux, dessins, gravures, statues, objets d'art anciens et modernes curiosités, etc P. Amédée Brouillet, 1886. **Untrodden Fields of Anthropology** Dr. Jacobus X (pseud.), 1898. **I Never Looked for My Mother and Other Regrets of a Journalist** Joseph P. Ritz, 2006-02. A journalist reminisces about his career, his upbringing, and why he never tried to discover who his parents were. The book leads to an understanding of what he owes the couple who raised him and the mother who gave him up. **Eros in the Mind's Eye** Donald Palumbo, 1986-07-16. This lively collection offers a wide-ranging exploration of the erotic and the fantastic in painting, illustration, and film. It covers Western art of six centuries from medieval woodcuts to contemporary poster art and the cinema of six decades from horror classics of the 1930s to recent slasher films, documenting the surprising variety of guises in which sexuality appears in fantasy art and cinema. Among the subjects treated are occult eroticism in Medieval and Renaissance art, the use of fantasy as a vehicle for depicting erotic

subjects in periods of sexual repression the fascination with unconscious and aberrant sexuality in the visual arts since the publication of Freud's theories movie monsters and aliens as emblems of the submerged id or libido and monstrous metamorphosis as a symbol of the changes accompanying puberty
