disarray of the party system neo liberal economic policies and judicial decisions The centralizing thrust of the earlier years has yielded to some kind of a confederal operation of the political system making the formulation and implementation of public policies a consociational exercise between political elites at the two levels of government central and provincial with the third now constitutionally entrenched level local institutions of self government waiting in the wings The eighteen papers in this volume written by experts in the field reflect on the new and emerging trends in Indian federalism in particular and in the Indian political system in general in the larger context of global and regional changes Asian Economic Cooperation in the New Millennium Calla Wiemer, Heping Cao, 2004 This volume is the outgrowth of a conference held at Peking University in May 2002 jointly sponsored by the American Committee on Asian Economic Studies the Peking University School of Economics and the China Reform Forum The contributors include leading scholars from Asia as well as specialists on Asia from the US Europe and Australia **Seminar, "WTO in the New Millennium", January 20, 2000, World Trade Centre, Mumbai** Arun Goyal, 2000 *Regional Trading Blocs in the Global Economy* May T.
