Glorious Pool (Annotated) Thorne Smith, 2021-10-09 With a slight pat of approval he placed the gloves on a rangy grand piano sprawling in the shadows like one of the less unneighborly monsters of the prehistoric past Then from under his right arm he took a package and placed it neatly beside the gloves This he also patted but with a somewhat ironical gesture

Having attended to these little details with fitting solemnity and obviously to his entire satisfaction he bent two remarkably bright and penetrating eyes upon the woman who sat watching him with an expression of brooding animosity on her faded but still good looking face Noiselessly he moved over the heavy carpet bent with easy gallantry and lifting one of the woman's fleshy hands kissed it quite impersonally as if it were little better than a fish Furiously she snatched her hand away He made little effort to retain it no more than one would to retain a fish unless one were grim about it **Glorious Pool** Thorne Smith,2015 [The Glorious Pool](#) Thorne Smith,2021-11-09 In *The Glorious Pool* Thorne Smith masterfully intertwines fantasy and comedy creating a narrative that reflects the whimsical spirit of the 1920s Set against the backdrop of a languorous summer the novel revolves around an enchanted swimming pool that serves as a portal to surreal experiences and ramblings of the human condition Smith's jovial prose characterized by witty dialogue and clever wordplay evokes a playful atmosphere while exploring themes of desire escapism and the inevitable absurdity of life This novel vividly embodies the literary movement of humorous fantasy that flourished during the early 20th century inviting readers into a world where reality is but a malleable concept subjected to the whims of imagination Thorne Smith known for his iconoclastic wit and penchant for irreverent storytelling drew inspiration from his own encounters with the social landscapes of his time His background as a journalist and humorist greatly influenced his writing style imbuing it with a blend of satirical commentary and fantastical elements *The Glorious Pool* not only reflects Smith's personal experiences with the hedonistic culture of the roaring twenties but also serves as a critique of the era's morals and values making it a rich study of its time For readers seeking a respite from the mundanity of daily life *The Glorious Pool* is a delightful escape into a realm where laughter reigns supreme Smith's vibrant characters and ingenious situations promise to captivate those with a taste for the absurd and a love for cleverly constructed prose This novel stands as a testament to Smith's unique ability to blend humor with profound insights making it a must read for fans of early 20th century literature and modern escapades alike In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read [The Glorious Pool](#) Thorne Smith,2020-07-13 We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope
