The Glory of Kings Peter J. Leithart,John Barach,2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan s friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions The Glory of Kings aims to bring Jordan s work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day [Hell Is Not the Issue](#) Andrew Caleb Doughty,2013-12-28 Have any of these questions bothered you 1 How can a loving merciful God send millions of people to Hell forever without hope 2 How can God be good when there is so much suffering and sorrow in this world 3 Am I going to go to Hell when I die If you have been looking for answers to these and other similar questions then this book is for you The premise of the book is that if God is God then He must be good and He must be glorious Can the One who created the universe really be defeated by the enemy He created Or is all of this suffering and sorrow in this life meant to amplify the incredible plan that God has mysteriously woven throughout the world s most controversial and powerful book the Bible In *Hell Is Not the Issue* you will see that it is God who has put limits on Himself to get us to believe that He is vulnerable to Satan and mankind s choices But nothing could be further from the truth God s amazing plan is designed to not only create a win for everyone even Satan but in doing so God is going to write the most incredible story of the ages And you can discover this marvelous story about a Savior who allows people to go to Hell not to be punished but to be pardoned Within these pages you will see that there are passages of Scripture that almost nobody talks about that give clues to this amazing redemption story A story like you ve never heard it

told before anywhere God is good and you will benefit from His goodness See for yourself what the Bible actually says about Hell and the plan that God has for it If you re like most people you ve never really studied this topic on your own before Do you really want to leave the matter of Heaven and Hell unsettled in your mind until you re face to face with death If you only ever read one book about Hell Hell Is Not the Issue should be the book that you read [Journal of Discourses](#) Brigham Young,1884 **The Sunday School Journal** ,1898 **The Thomas Watson Collection. Illustrated** Thomas Watson,2021-06-14 Thomas Watson was a 17th century minister at the church of St Stephen Walbrook in London As a pastor he set himself two goals First he wanted unbelievers to grieve over their fate and realize the necessity of God s grace On the other hand he wanted believers to rejoice in the assurance that they had received God s grace His books are simple but exciting commentaries with many practical examples and applications He explains the paradox that both good and bad events contribute to the benefit of believers He spends a great deal of time explaining what it means to love God and be called by His will In this book Watson manages to answer one of the most plaguing theological questions of all time Why do bad things happen to good people This eBook includes the following 14 volumes by Thomas Watson Body of Practical Divinity The Ten Commandments The Lord s Prayer The Beatitudes The Godly Man s Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian s Charter The Duty of Self Denial [The Lord of Glory](#) Benjamin Breckinridge Warfield,1907 **An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H.
