## Glory Road:

**Women in Hollywood's Dream Factory** Karen McNally, 2026-03-17 Analyzing and challenging the film industry's infamous treatment of women. The MeToo revelations put a twenty-first century stamp on the age-old story of women's mistreatment in Hollywood. Karen McNally edits a collection focused on examining and revising film history in the aftermath of the women's stories past and present that have come to light. The collection begins with essays on the interplay between reality and imagination in narratives and representations of women's experiences of unequal treatment. In Part 2, contributors discuss how the gendered attitudes of the media's stories enable inequality in Hollywood and look at the forces that arise whenever women resist these media assaults. The next section addresses the structures that built the inequalities and mistreatment, while Part 4 revisits established narratives to challenge, renew, and expand upon our understanding of film history through women's stories. Essays in the final section address the combination of inequality and resistance that defines women's experiences in Hollywood. Piercing and astute, *Women in Hollywood's Dream Factory* confronts our perception of Hollywood as a mythological land of dreams. Contributors: Alicia Byrnes, Anna M. Dempsey, Harriet Fletcher, Amanda Konkle, Tamar Jeffers McDonald, Kerry McElroy, Adrienne L. McLean, Karen McNally, Donna Peberdy, Melanie Piper, Victoria K. Pistivsek, Sarah Polley, Ina C. Seethaler, Gabrielle Stecher, and Jennifer Voss.

**Reluctant Conquest** Kathryn C. Lavelle, 2025-06-10 A comprehensive history of U.S. involvement in the Arctic from the American Revolution through the acquisition of Alaska to the present day. What drives American foreign relations in the Arctic? It is difficult to give a unified answer to this question because most histories of the region are divided between the Atlantic and Pacific coasts, Asian and European strategic interests, or federal government and Indigenous peoples' concerns, making it difficult to understand the connections among the environmental challenges, scientific understandings, strategic calculations, and governance relationships. Most Americans do not think of their country as an Arctic power, yet it is a region where the United States has had important ties throughout its history. In this sweeping study from the founding of the country through the acquisition of Alaska to the present, Kathryn C. Lavelle considers American relations across the circumpolar North, incorporating discussions of economics, national security, and science that are conventionally separated. Lavelle argues that it is impossible to understand U.S. policy without a knowledge of American political development and of how scientific understandings have grown alongside studies of climate and other environmental issues. This history has important implications for future American policy regarding traditional national security and political economy, in addition to climate change and environmental cooperation.

**Jesus Nation** Joe Stowell, 2009 Dr. Joe Stowell is a Chicago Cubs fan to the death. For Joe, there is nothing quite like showing up on a bright summer day at the friendly confines of Wrigley Field to cheer the Cubbies on. Cubs fans are so fanatic that they are now called the Cubs Nation. To belong to the Cubs Nation means that you belong to something bigger than yourself. What group are you passionate about? Do you have your own sports team you're devoted to?

Are you dedicated to a cause To a set of friends To a national identity What cause have you sacrificed your all to and aren't ashamed about it Is it to a career To some change in your community To the defense of an institution or your friends

According to Joe Stowell there is a bigger revolution happening right under our noses There is a cause greater than nation creed or even a sports team In his trademark style Joe Stowell wakes up readers to a revolution of the heart occurring now and transforming our nation the Jesus Nation [Benching Jim Crow](#) Charles H.
