**P. E. Easterling, Bernard M. W. Knox**

## Fragmenta Hesiodica:

**Fragmenta Hesiodica** Hesiodos, 1967     *Fragmenta Hesiodica* Reinhold Merkelbach, Martin Litchfield West, 1999

**Hesiod's Theogony** Stephen Scully, 2015-10-01 Stephen Scully offers a reading of Hesiod's Theogony and an account of the poem's classical and post-classical reception up to Milton's Paradise Lost. He proposes that the poem be read as a hymn to Zeus and a city-state creation myth and discusses Hesiod's artful narrative style in relation to Homer's *Fragmenta Hesiodica* Hesiod, 1967     [Hesiod and Classical Greek Poetry](#) Zoe Stamatopoulou, 2017-06-16 Hesiod was regarded by the

Greeks as a foundational figure of their culture alongside Homer. This book examines the rich and varied engagement of fifth-century lyric and drama with the poetic corpus attributed to Hesiod as well as with the poetic figure of Hesiod. The first half of the book is dedicated to Hesiodic reception in Pindaric and Bacchylidean poetry with a particular focus on poetics, genealogies, and mythological narratives and didactic voices. The second half examines how Hesiodic narratives are approached and appropriated in tragedy and satyr drama, especially in the Prometheus plays and in Euripides' *Ion*. It also explores the multifaceted engagement of Old Comedy with the poetry and authority associated with Hesiod. Through close readings of numerous case studies, the book surveys the complex landscape of Hesiodic reception in the fifth century BCE, focusing primarily on lyric and dramatic responses to the Hesiodic tradition.

**Hesiod** Hesiod, 2004-08-02 For this eagerly anticipated revised edition, Athanassakis has provided an expanded introduction on Hesiod and his work, subtly amended his faithful translations, significantly augmented the notes and index, and updated the bibliography. Johns Hopkins University Press     *Poetry in Fragments* Christos Tsagalis, 2017-09-11 Next to the Theogony and the Works and Days stands an entire

corpus of fragmentary works attributed to the Boeotian poet Hesiod that has, during the last thirty years, attracted growing scholarly interest. Whereas other studies have concentrated either on the interpretation of the best-preserved work of this corpus, the Catalogue of Women, or have offered detailed commentaries, this volume aims at bringing together studies focusing on generic and contextual factors pertaining to the various works of the Hesiodic corpus, the Catalogue of Women included, and the corpus' afterlife in Rome and Byzantium.     **Fragmenta Hesiodica** Hesiodus (Dichter, Griechenland), Reinhold Merkelbach (Philologe, Deutschland), 1967     *The Cambridge History of Classical Literature: Volume 1, Greek Literature* P. E. Easterling, Bernard Knox, 1985-05-09 This volume looks at literature of the Hellenistic period.

**The Cambridge History of Classical Literature: Volume 1, Greek Literature, Part 1, Early Greek Poetry** P. E. Easterling, Bernard M. W. Knox, 1989-05-04 The period from the eighth to the fifth centuries B.C. was one of extraordinary creativity in the Greek-speaking world. Poetry was a public and popular medium, and its production was closely related to developments in contemporary society. At the time when the city-states were acquiring their distinctive institutions, epic found the greatest of all its exponents in Homer, and lyric poetry for both solo and choral performance became a genre which attracted poets of the first rank, writers of the quality of Sappho, Alcaeus, and Pindar, whose influence on later literature was to

be profound This volume covers the epic tradition the didactic poems of Hesiod and his imitators and the wide ranging work of the iambic elegiac and lyric poets of what is loosely called the archaic age The contributors make use of recent papyrus finds particularly in the case of Archilochus and Stesichorus to fill out the picture of a cosmopolitan and highly sophisticated literary culture which had not yet found its intellectual centre in Athens **Fragmenta Hesioidea. Ediderunt R.**

**Merkelbach Et M.L. West** HESIOD.,Reinhold Merkelbach,Martin Litchfield West,1967 *Fragmenta hesioidea, edited by r. merkelbach and m.l. west*,1967 Hesiod, the Poems and Fragments, Done Into English Prose Hesiod,1908 Glotta
