Breaking the Cycle Nancy Brown Diggs, 2013-10-09 Breaking the Cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success We learn about their world from teens like Shawna the daughter of a crack addicted mother Or Andre the only one in his family not on drugs Or Daron kicked out of his home by an abusive father Challenged by the pernicious factors of their environment drugs violence fatherless homes and poor educational backgrounds students at the Dayton Early College Academy are nevertheless beating the odds All are headed for college from which the vast majority will graduate The book reveals how this school is succeeding when so many fail It conveys the hopeful message that others can replicate much of what DECA does and save a generation mired in despair America's failure to educate its urban children is evidenced by our woeful statistics If it is possible to turn around this bleak picture and it is this is a story well worth telling And this is what Breaking the Cycle aims to do For more information on the book including interviews with the author please check out www

Educated in Whiteness Angelina E. Castagno, 2014-03-01 Educators across the nation are engaged in well meaning efforts to address diversity in schools given the current context of NCLB Race to the Top and the associated pressures of standardization and accountability Through rich ethnographic accounts of teachers in two demographically different secondary schools in the same urban district Angelina E Castagno investigates how whiteness operates in ways that thwart and sometimes co opt even the best intentions and common sense thus resulting in educational policies and practices that reinforce the status quo and protect whiteness rather than working toward greater equity Whereas most discussions of the education of diverse students focus on the students and families themselves *Educated in Whiteness* highlights the structural and ideological mechanisms of whiteness In schools whiteness remains dominant by strengthening and justifying the status quo while simultaneously preserving a veneer of neutrality equality and compassion Framed by critical race theory and whiteness studies this book employs concepts like interest convergence a critique of liberalism and the possessive investment

in whiteness to better understand diversity related educational policy and practice Although in theory most diversity related educational policies and practices are intended to bring about greater equity too often in practice they actually maintain legitimate and so perpetuate whiteness Castagno not only sheds light on this disconnect between the promises and practices of diversity related initiatives but also provides insight into why the disconnect persists *School Improvement for All* Sharon V. Kramer, Sarah Schuhl, 2017-06-16 Continuous school improvement only happens when teachers and administrators collectively center their powers on ensuring student success within a professional learning community With this practical guide K 12 educators will discover how to target their school s specific needs with an immediate course of action to improve and measure student achievement Each chapter includes space for teams to determine actions steps and a list of questions to help bring greater focus to your school improvement process A how to guide for implementing Professional Learning Community at Work™ practices Learn how to drive increased academic achievement for all students Consider anecdotes from the authors experiences working with schools that illustrate best practices in action Contemplate your school s reality and determine what actions you can take to improve student achievement Prepare a school improvement plan for the structural changes needed to create a positive school culture Use helpful protocols rubrics and action and assessment plans found throughout the book to design your continuous improvement plan Contents Introduction Chapter 1 Charting a Course Focused on Learning Chapter 2 Transforming Culture and Structures Chapter 3 Focusing on 21st Century Learners Chapter 4 Establishing a Common Curriculum Chapter 5 Creating and Using Common Assessments Chapter 6 Planning Meaningful and Effective Instruction Chapter 7 Embracing Accountability Epilogue References and Resources *American Book Publishing Record*, 2006 **Comprehensive Urban Education** Patricia B.
