Kamala Das: A Poetess and A Thinker ,

When I was student of English literature in M A final it was an ambition in my mind to write a book on Kamala Das After hard endeavor I am able to write this book I am aware of the fact there are a few books purported to be full length studies of Kamala Das s poetry available and there are also scores of articles and papers on the various aspects of her poetry that have appeared in literary journals or included in books on Indian writing in English But the sweep of such publications appear to be very limited In another words their views about Kamala Das s poetry seem truncated In this connection I would like to cite up a story of six blind men They went to acknowledge the elephant Each one touched the different parts of the elephant They touched the feet the leg the ear the trunk and the tail Each one was confident in one s opinion They quarreled among themselves for the recognition of the elephant They all were right separately but all were wrong about the complete shape of the elephant Such is the recognition of Kamala Das among the critics Most critics agree she is the poet of Love and Sex No doubt she had taken love and sex as objective correlative for her presentation She has presented the prevailing evils of society If we concentrate our mind on the writing of the literature we get particular stimulus and response We take Valmiki for his historical poetry This harbinger of worldly Sanskrit literature keeps the pathetic vision for mankind s destiny He presents Ram in pathetic situation in course of life He was exiled Ravan aloped his wife Sita and in the last phase of his life he submerged in the river Saryu Whatever may be the case it is true there is inspiration in every creative work Kamala gets inspiration from discordancy of woman s love If we take the history of womankind as a writer we get Love and Sex are deeply delved in the writing therefore it is wrong to charge Kamala Das for the representation of Love and Sex Kamala Das s poetry has remarkable feature of its own First it marks the male and female relation in running society of the time in which the

writer lives What she has experienced in her private life she universalised it for contemporary society If obscenity is charged with her writing it is worth marking the term is elastic it changes its form according to time place and person Here we must take the realism of discordancy One must know Kamala Das s poetry follows the pattern of Nissim Ezekil and Ramanujan It is most remarkable factor in the soul of Kamala Das s poetry in last phase of her poetry we get sublimation of Love i e in Ghanshyam and Vindravan She discovers the evil through her presentation of poetry and desires a harmonic and balanced love in society There is magic of her art in her poetry Indianness and Indian culture I have presented it in the last chapter of the book There is balance of content and art Though she is not highly educated she is expert in the portrait of poetry This book begins with a seminal Introduction following the Background Kamala Das Singer of feminine sensibility Autobiographical and Confessional Note in Kamala Das s poetry Protest Against Well established Social Conventions In the last chapter of Evaluation her art is marked Thanks to all whose works I have employed in my book Afterall I am grateful to my husband and parents who have provided me essential help of needed occasion If Critics and Readers like my simple but honest thinking it would be my ample reward Thanks to God who guides me time to time in the form of man
